

Motor insurance that rewards good driving

Switching is easy with Discovery Insure

What to expect after you leave your details

You'll receive a call from a Discovery Insure consultant.

The call will take about 40 minutes. If it is not a convenient time, you can simply reschedule.

Calls are recorded for quality and legislative purposes.

How to prepare for the call – make sure you have the following information ready:

Vehicle cover

Details of the vehicle:

- Make and model
- Year
- Registration number

ID numbers of drivers

Driver licence details of drivers

Claim history

Where the vehicle will be parked:

- During the day
- At night

Home and portable possession cover

The sum you want to insure for

Home information:

- Perimeter
- Roof type
- Alarm system
- Fire proofing

Portable possessions:

- Details
- Items to specify for cover

Tip: Have your current policy schedule on hand to fast track the process.

What to expect once your Discovery Insure Plan starts:

- You will need to cancel your previous insurance.
- If you joined the driving programme, Vitalitydrive, and chose to install a smartphone-enabled DQ-Track, you can go to your nearest Tiger Wheel & Tyre to collect and install your Vitalitydrive Sensor. If you chose to install a standalone DQ-Track, you can choose to have it installed at your preferred location.*
- You will receive your Vitalitydrive card when you collect your Vitalitydrive Sensor at Tiger Wheel & Tyre or when your standalone DQ-Track is installed.

* If you selected the Discovery Insure Essential Plan, your device will be installed at your nearest fitment centre.
